

## Book Aid International: Book Provision Officer

**Jobs** Thursday, 4th February 2021

---

*Book Aid International is the UK's leading international book donation and library development charity*

Our vision is a world where everyone has access to the books that will enrich, improve and change their lives. We are looking for a Book Provision Officer to join the Operations team and support the management and delivery of our Book Provision programme.

We work with over 100 UK publishers who support us with donations of brand new books, enabling us to deliver inspiring, relevant and up to date books to organisations overseas who have little or no access to books. This year we aim to deliver over 1 million books to libraries, schools and communities around the world. We are looking for someone with proven administrative experience working with external partners in a customer-focused role, who shares our mission to change lives through reading.

If you are well-organised, great at juggling lots of data, have experience in warehouse operations or supply chain and possess a working knowledge and passion for books, we would love to hear from you.
